Exhibition Text

*Unfair* symbolizes the discrimination that has and is going on in the world today to all Mexicans. *Unfair*, a gallon of milk is a symbol of this act of racial discrimination. The gallon has all kinds of beans inside it; black, white and tan. I used the racial slur, beaners as inspiration to make this piece. These beans symbolize the Mexican's. Many of the people who are racist drink milk that was made from a Mexican farm, processed by Mexican hands and distributed by Mexican companies.
